HELPING YOU RETURN TO WORK, SAFELY.

Clean Your
Hands Here

THANK YOU

10% of all profits from these products
will go to our chosen NHS charity

“For over 40 years Clip has supported its customers by providing award winning, high quality exhibition and display solutions alongside great customer service. During these unprecedented times Clip will once again be supporting our customers old and new with our range of Covid Secure products.

Not only will we be supplying these innovative and great value products, we will be supporting our customers with advice and guidance from our dedicated internal Covid team. They are there to help make sure our customers can return to work safely and with confidence”

Geoffrey Barrett - Managing Director

Government Guidelines

Office Environment

- Provide hand sanitising facilities at all entry/exit points.
- Provide hand sanitiser for people getting in and out of vehicles or handling deliveries.
- Provide hand sanitiser in all meeting rooms.
- Provide signage to remind people to keep a 2m distance.
- Use signs and posters to increase awareness of good handwashing technique and social hygiene.
- Use screens to create a physical barrier between people.

Retail Environment

- Reduce congestion and contact between customers, for example, queue management or one-way flow.
- Provide hand sanitising facilities at entry/exit points.
- Provide clear guidance on social distancing and hygiene to people on arrival, for example, signage and visual aids.

Dedicated Covid Team

Here To Help

At Clip we have set up our very own dedicated, internal Covid support team. All staff in this team have passed a preventing Covid-19 course, have been briefed on the Governments official guidance and have huge experience in signage and display.

We have collated and designed some of the best products on the market and have put together this hand picked range that represents value and quality.

Our team is available to help you with any questions you might have on how to make your workplace safe for you, your staff and customers. Whether that is an office, a showroom, shop or school we can help with advice and recommend the right products to help you return to work, **safely**.

Wall Sanitiser Unit

Utilising a slimline and space saving design this wall mounted sanitising unit is ideal for places where a larger, freestanding option isn't possible. With the facility to take 500ml bottles of sanitiser (first one included) and full colour branding to the front you can be sure your staff or customers don't miss it when entering your building.

Dimensions - 400mm W x 500mm H
500ml of Sanitiser Included

1-5 units - £169
6-10 units - £149
11+ units - £129

all prices ex VAT and delivery

Acrylic Desk Screens

Small

Large

Our range of desk screens offer a great value way of ensuring your employees remain safe. With social distancing rules being enforced in the workplace giving your staff their own, safe space is important and at the same time not making people feel excluded by cutting them off. Our desk screens are made from high quality clear acrylic right here in the UK and come in two standard sizes as well as a range of bespoke sizes being available.

**Small - 600mm W x 800mm H
£79**

**Large - 1200mm W x 800mm H
£149**

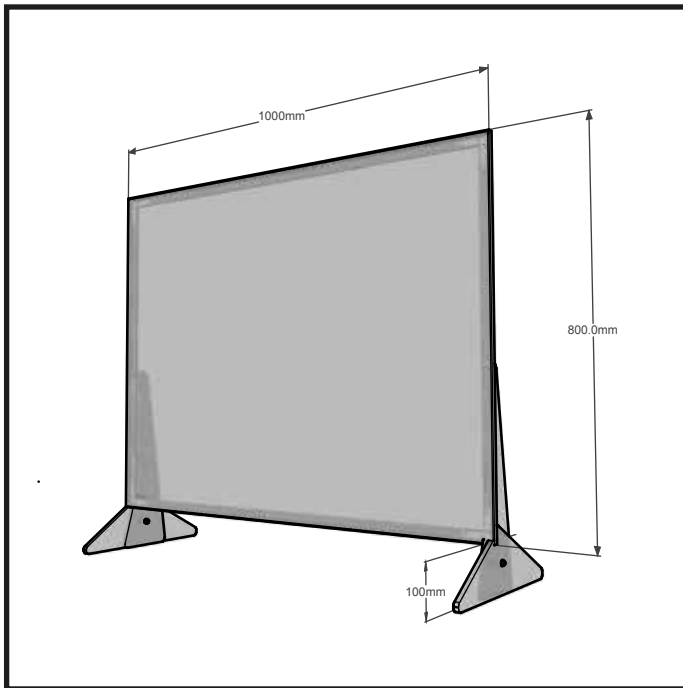

Other bespoke sizes available

TFS Protective Screen

Unique to Clip, designed and manufactured in the UK our TFS Protective Screens offer a quality alternative to the typical acrylic desk screen. Using a tensioned high transparent material these screens pack down into a postal tube for easy transportation. The screen can be full or part branded allowing for brilliant POS messaging in retail situations and is quick and easy to install. Bespoke sizes available on request.

Dimensions - 1000mm W x 800mm H

Bespoke Signage

We don't believe in one size fits all so we have a comprehensive range of customisable stickers and signage available. We will work with you on what signage you need and where, creating bespoke sizes and designs to suit you and your needs.

All of our stickers are available branded meaning you don't need to compromise on your office, shop, showroom or schools appearance during this time.

Hand Sanitiser

We have teamed up with Herefordshire gin distiller Black Mountain Botanicals to bring you a UK made, high quality hand sanitiser for use in our products.

Manufactured to world health organisation guidance plus an added trace of Juniper essential oil. Made in Herefordshire in small batches in a small distillery re-purposed to make emergency hand sanitiser. Contains anti-inflammatory Aloe Vera proven to be hydrating for the skin and made with 71% high quality alcohol specifically manufactured for use on the skin, not from industrial denatured alcohol like some other products.
